... designer jeans, western shirts, cowboy hats, and boots. The Texan look swept across the country. It began like a fever that suddenly spread, causing people in Los Angeles, Denver, and Pittsburgh to change the clothes they wore and the clubs they frequented.

New Yorkers not only altered the format of their clubs, but also the names, such as The Lone Star Cafe, and Cowboys and Cowgirls Discotheques, once popular, changed to country disco to accommodate the cotton-eyed joe and the two step.

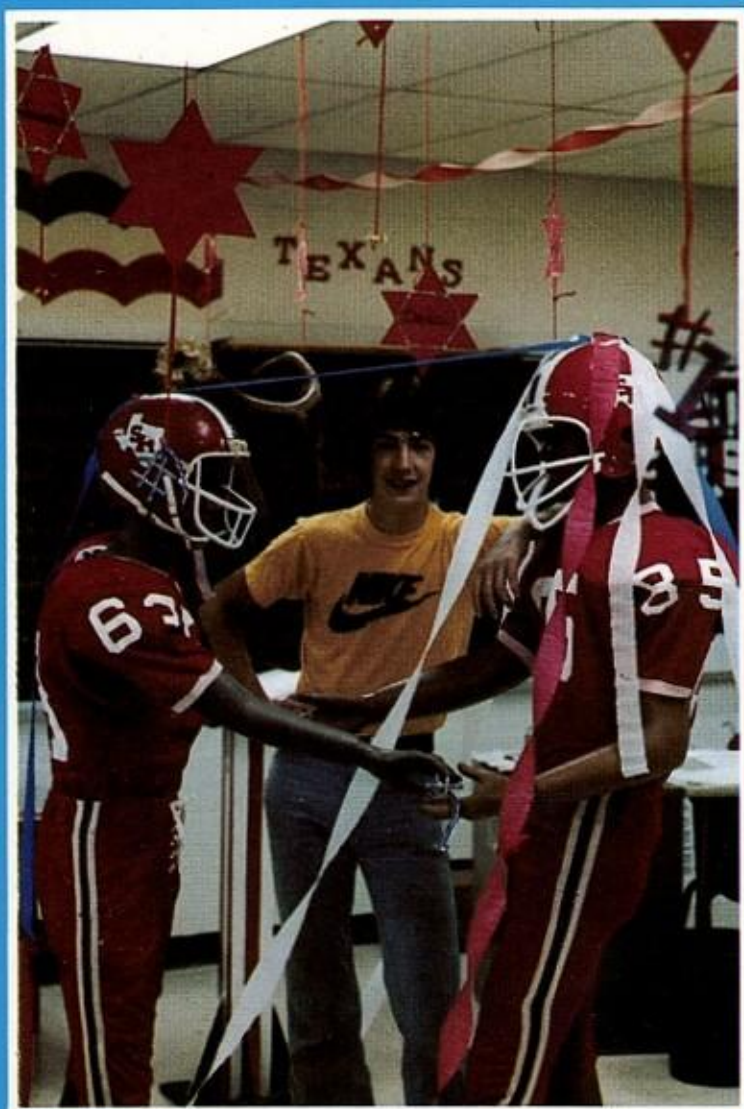

The fever also hit radio with country western music included on most every type of station. Listeners so loved the sound that some stations converted this format to country...

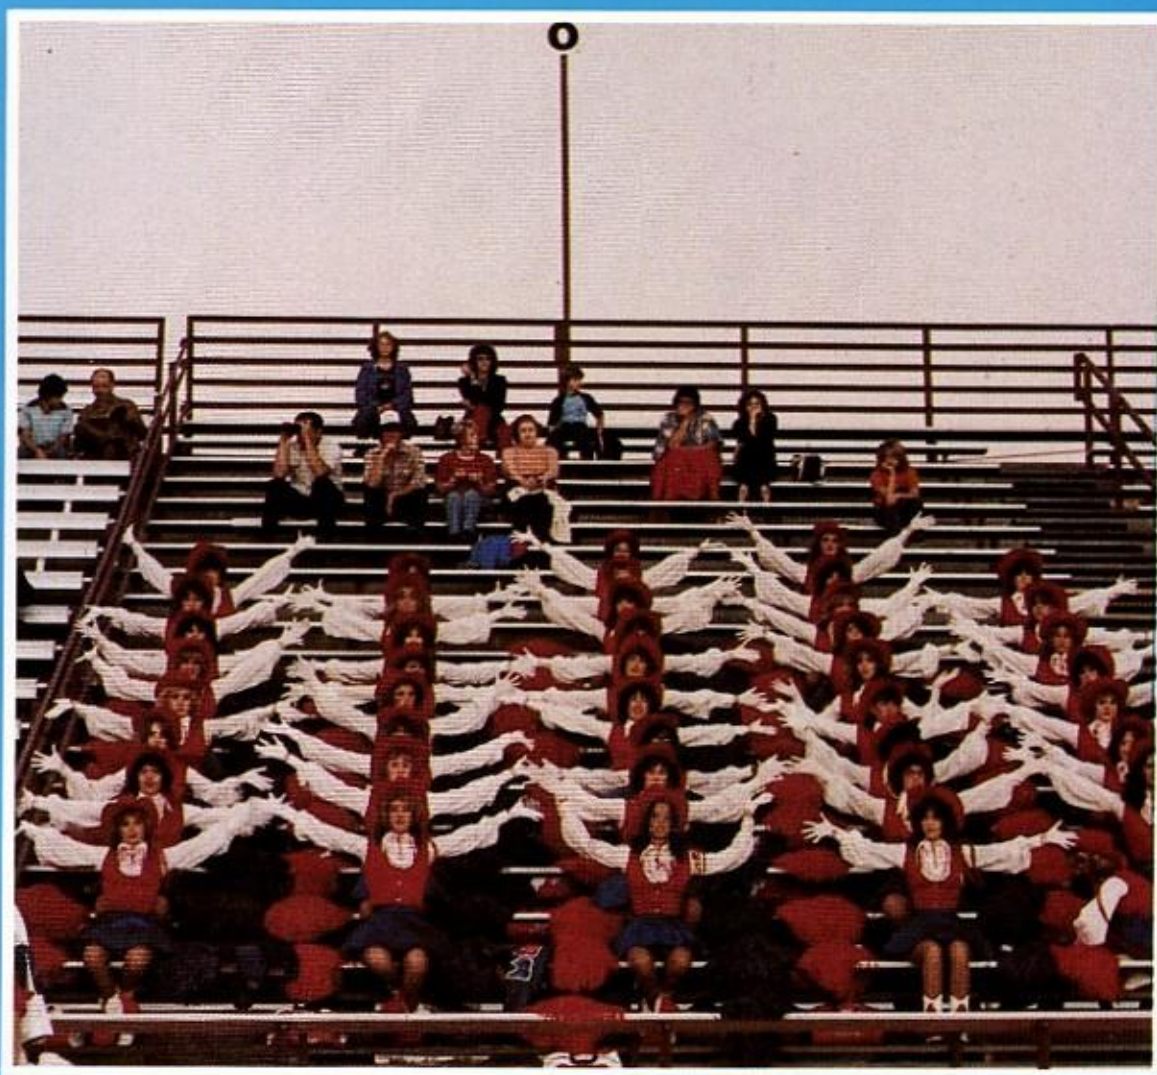

... who shot J.R.? Countries across the world waited impatiently to find out who wounded the legendary J. R. Ewing. Many were relieved for the wait to come to an end when Kristin was revealed as the culprit.

"Dallas," as well as "Texas," "Knots Landing," and "Flamingo Road" have led Texan soap operas to be number one. Movies also took a Texan twist. For example, "Urban Cowboy" helped to popularize Gilley's in Pasadena and also the mechanical bull. Billy Bob's in Fort Worth even went so far as buying a live bull for guests' entertainment...

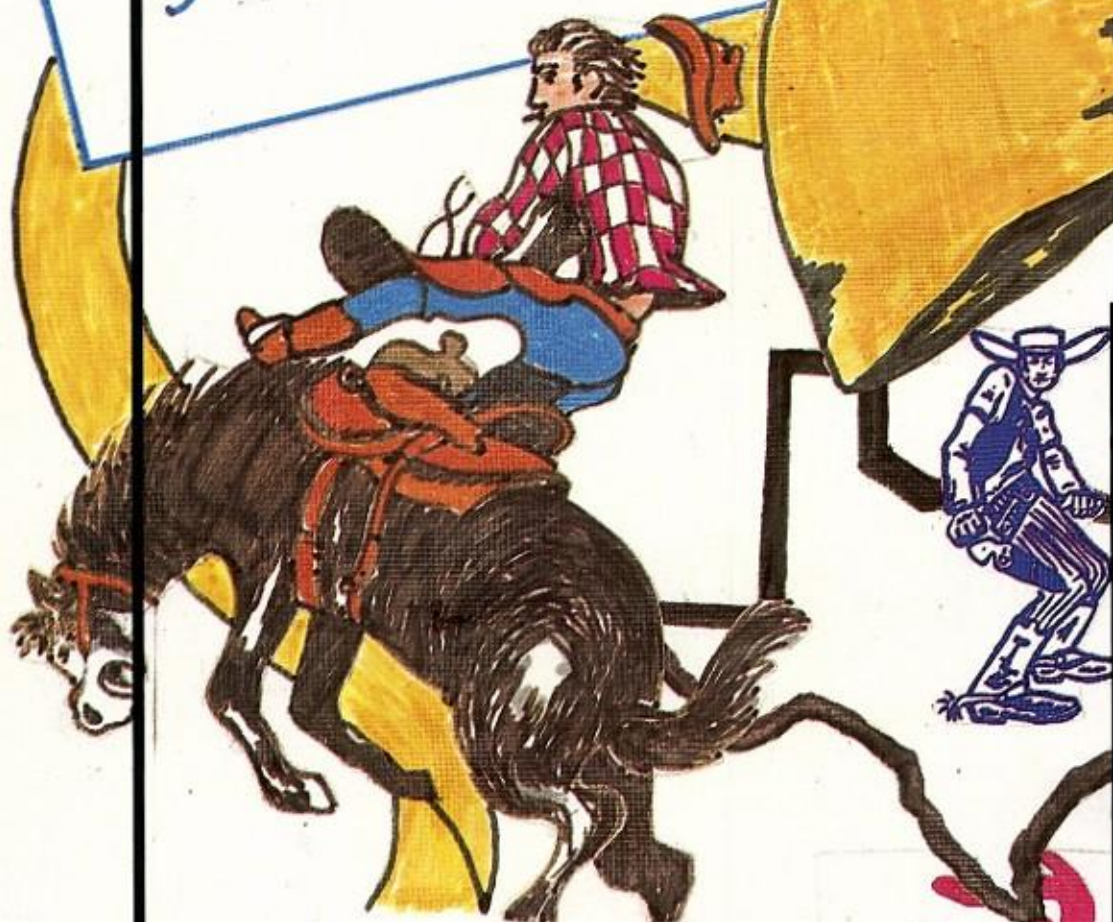

...with the new cowboy craze, everyone is seeking to be a Texan, but we at Sam have a "corner" on the market. In everything we do, the Texan spirit shows. In all the pep rallies, the songs and skits have a western theme. Spirit is boosted with cowbells, ribbons, buttons, megaphones, spirit waves, spirit jeans, Texan jewelry, western hats, and boots.

Our mascot, the Long Tall Texan, is modeled after the legendary Texan hero, Sam Houston.

Like our Long Tall Texan, Sam Houston has been called "the tallest Texan." This title was earned for his physical height, and also for his willingness to serve above and beyond the call of duty...

the Year of the Texan

... Houston's life in Texas began at the age of 14 when he lived with the Cherokee Indians. After these years, Houston left to return to his home state of Virginia. But, he had acquired a taste of the good life and soon returned to make Texas his home.

The spirit of Sam Houston High School can be compared to the great spirit of Sam Houston himself. He led the Texas Army to victory at San Jacinto to accomplish Texas independence.

Houston served twice as president of the Texas Republic, and it is this spirit of loyalty that carries through our lifestyle today. Sam Texans stand proud, knowing that no matter how much people try to portray our image, SHHS will always have the "true" Texans. This is our year...

Tommie Williams . . . 1981 Dedication

10 Years' Work Earns Dedication

A]

B]

... Mrs. Tommie Williams received the Cherokee dedication at the journalism assembly, May 6.

Vice-principal in charge of girls' attendance and discipline, Mrs. Williams came to Sam 10 years ago as a counselor.

Concerning Mrs. Williams, staffers Blake Farrell and Pat Sweat said, "We have always been known as a friendly school. We owe part of that reputation to our recipient. Through her efforts the New-comers Club was founded.

"She took the slogan, 'In the halls of Sam Houston, there are no strangers' and made it work for us. New students were welcomed, and we all learned a lesson in making friends."

... and they kept that Texan spirit going strong.

This year marked the first time that there were 10 varsity cheerleaders instead of the usual eight.

Much of their time was dedicated to Sam Houston, as the cheerleaders and bellguards always had skits for the pep rallies and hand-clapping cheers for the games.

"Big Sam" was the responsibility of the bellguards.

The Long Tall Texan also became a familiar sight at pep rallies and games.

The girls' biggest thrill came on Oct. 24-25 when they traveled to Burleson and brought home first place in the district tournament held there.

In district play, the Arlington Colts proved to be the most difficult team to play. They were the girls' toughest rivals in the district. "They had a good offense and defense," said Coach Duval. "The team sometimes tried too hard because of the rivalry."

... "I enjoyed working with this group of young men more than any others in the past. They were enjoyable to be around," stated Tommy Cantrell, coach of the bi-district winning Sam Houston Texan Baseball Team. The Varsity Texans boasted a growing season record of 21-10 and were undefeated during their entire district stand of 12 games.

Coach Cantrell cited the first Bowie game as most outstanding of all the district play. Down by three runs Steve Ralston stepped to the plate and knocked a homerun, bringing in two others. A hit from Mick White in the eighth inning gave Sam the win.

After claiming the district crown, the Texans went on to defeat Arlington Heights two out of three games to win bi-district. Credit for the win was given to David Bird for pitching a five hitter against Heights in the final game of the series.

Sam Captures Bi-District

A ... with victories under their belt, the Texans advanced to regionals with Lewisville as the opponent. A Houston victory in the first of the three game series was brought on by a two run homer hit by Steve Roznos in the seventh inning. The Texans won 4-2. The men didn't fare so well in the remaining games, losing 9-4 and 4-0.

Several Texans proved themselves to be outstanding assets to the team. Eight Texans were named All-District: Steve Ralston and Greg Farnik, pitching; Steve Roznos, David Holley, and Ernie Lott, outfield; Trey Hillman, shortstop; and David Acton, catcher. Special recognition was given to District 8-AAAAA Player of the Year, Texan senior Mick White.

... "What this team might have lacked in talent, they made up for with determination," stated JV Baseball Coach David Clyde. Even though the hardballers started off the season slowly, they still managed to pull out first place in district with a record of 11-1.

The Texans started the season 0-6, but once they found the best lineup on the field and a bit of self-confidence, they began to win consistently. Timely hitting, along with consistent pitching and defense, played a big role in turning the team's season around.

One of the hardballers' most outstanding games was against Haltom. Trailing in the seventh inning 6-3, the Texans came back with four runs to win 7-6. ... with his words of wisdom and serious intentions, Mr. B. H. Remynse took the reigns of principal for the ninth year. As Sam's chief supporter, he was willing to cooperate in a number of school activities, including class meetings and pep rallies.

"Uncle Bud's" dedication to his work only begins with his ability to create a comfortable atmosphere for both students and faculty.

Mr Remynse earned degrees from both the University of Texas at Arlington and North Texas State University. He started as a coach at Carter Junior High in 1963 and was transferred to Sam in 1967.

**You've got a bright future.
We'll do our part to help
keep it that way.**

Your generation will need as much electricity as is being used these days. Maybe more. We at Texas Electric are working to provide you with the electricity you'll need for college, your homes and your jobs.

In the past, we've used mostly natural gas and oil to make electricity. Today, we're making as much electricity as possible in plants built to use lignite coal. And, we're building a plant to make electricity using uranium fuel. By using these cheaper and more abundant fuels, we'll help keep your future looking bright.

In Memoriam

Vickie Gardner

Because I could not stop for Death —
He kindly stopped for me —
The Carriage held but just Ourselves —
And Immortality.

We slowly drove — He knew no haste
And I had put away
My labor and my leisure too,
For His Civility —
We passed the School, where children Strove
At Recess — in the Ring —
We passed the Fields of Gazing Grain —
We passed the Setting Sun —

Since then — 'tis Centuries — and yet
Feels Shorter than the Day
I first surmised the Horses' Heads
Were toward Eternity —

Emily Dickinson

It's hard to say good-bye to someone
You never thought you'd lose.

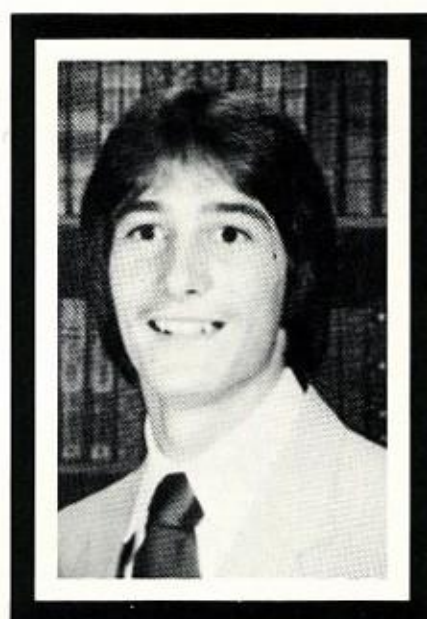

But everyone, knows he will someday
And the time's not their's to choose.

You miss him as each day goes by,
It's been hard right from the start . . .
But no one can block out those memories
That you still have in your heart.

He'll never be forgotten, because of all
Those memories left behind . . .
He was a friend to those who knew him,
He was cheerful, bright and kind.

You know —
God takes someone so special,
And He keeps him in His care . . .
So when we all go up to heaven,
I know we'll see Robert there.
